FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

HB 3276 – SB 3337

March 29, 2012

**SUMMARY OF AMENDMENT (014998):** Deletes all language after the enacting clause. Authorizes a county legislative body, by resolution, to authorize the county trustee to invest county funds in the state intermediate-term investment fund. Requires the county trustee to administer any such investment funds. Authorizes any entity eligible to participate in the pooled investment fund pursuant to Tenn. Code Ann. § 9-4-603 to participate in the state intermediate-term investment fund.

FISCAL IMPACT OF ORIGINAL BILL:

Other Fiscal Impact – A potential increase in interest earnings for local governments. The precise impact cannot be determined for it is dependent upon several unknown factors such as the number of counties investing, the amounts invested, and the differences in the rates of return.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumption applied to amendment:

- According to the Office of the Comptroller of the Treasury, this bill may result in an increase in local revenue by increasing the rate of return on investments. However, a precise estimate is not possible because it is dependant upon the number of counties that invest, the amounts invested, and the differences in the rates of return.
